Women, when shown in the pages of El Universal Ilustrado, were offered as positive or negative examples of how to appear feminine. If shopping and fashion were easily figured as feminine virtues in postrevolutionary Mexico, then men who conspicuously consumed might be accused of being, in some sense, feminine.

Beyond this, Estridentista publicity offers an expanded notion of what it means. A substantial number of museums were asked to participate but declined, citing insufficient funding and scheduling complications. Evidence leads us to discuss current prejudices

about singing among adolescents.
