An excellent introduction to Gestalt Therapy. This is how Gestalt theory looks from Wertheimer's perspective – simple and definite. Please help improve it or discuss these issues on the talk page. Westillinstantlyrecognizetheshapeasapanda. Gestalt (Book One), you automatically assume it continues along the same line beyond what you can see. The theory might be useful, to students who are studying Gestalt, but what our students would probably need from such a book would be more on the actual practice. June29,RetrievedReport this review. Danny Porter.
