Fun to read and attractively illustrated. With his father drifting into depression and his younger brother needing constant supervision, Nicky has enough on his hands already but he knows the real value of nature and knows he cannot stand by and see such wilful destruction.

Orphan Giselle is dismayed when her favourite pony is to be sold for slaughter.

On the same day that Evy learns another of her mom's secrets, she also discovers that they are almost out of money! They want access when and where they should not have it, and they are in powerful positions that make them very difficult to reason .

A great choice for librarians serving middle grade students who crave more far course not!
