Only ppl that use. Safe Passage: Words to Help the Grieving  
The loss of a loved one is one of the most traumatic experiences we will ever face.

I have also been surprised at the response of some of my friends; or rather, not. There is no question it fundamentally changes you. Earl Grollman explains what emotions to expect when mourning, what pitfalls to avoid, and how to work through feelings of loss. I used to be someone that everyone else relied on for remembering things. I lose friends, grief is forever.
