Save up to printed flight plans in chronological or alphabetical order. Ans: nm, min.

I was able to take off, maneuver and land at KJFK, with no problem. When the vis

A Re-clearance Flight should not be attempted unless the departure fuel is sufficient to guarantee a reasonable expectation of there being enough fuel remaining, a beam or in the vicinity of the en-route airfield, to permit Re-clearance to the scheduled destination. There is no need to interpolate between tables. There are separate reference lines for time, distance and fuel to climb, but only one combined scale.

Chart marking pen set of 4 coloured marker pens, ideal for marking charts you don't fool me at all.
