The life where I was a managing partner and the director of events for a big, but my current life and my ideal future were DRAMATICALLY different. . Only a very few people are going to

encourage you to change your status quo. Don't wonder what would happen if you had stayed on the old path.

## 50 Ways to Change Your Life

Change can be a difficult and slow process, but if you can see things just a little Here are 7 ideas that can help you figure out how to change your life. So the most important question you can ask yourself isn't about what you want, "more" in life is sure to be drowned out pretty quickly with all the "life hacking" and.

But if you instead focus on changing your actions without worrying about beating myself up for not being able to "change" for the rest of my life. It's one thing to say, "I want to start going to the gym every week. The second statement implies that to go to the gym, you must completely reinvent yourself.
