In the late 18th century some European composers were already familiar with other types of Turkish music that were not of military origin. Hancock, Graham.

DieErinnerungendesRekrutenGeorgSteinbach. In establishing these facts, we will do well to remember that historiography made great strides towards transformation into an academic discipline in the course of the nine-teenth century and that accounts of the Germanic-Roman conflict emerged in this context that provided academic evidence to corroborate less exalted and more down-to-earth views of the battle.
