There is something else wrong. This seems to be where many teachers get trapped in the common pitfalls of providing lengthy explanations and reading through a list of rules, followed by reciting answers to fill-in-the-blank activities. Hold up your book and point out Comprehension Exercise A. Another criticism is that his paintings are all similar. It is a good idea to prepare students beforehand for homework by making sure that instructions are understood, clarifying any new vocabulary or expressions, and eliciting one or two exercise items for each step or exercise.
