Anastasia if I may pick up on this one you said About this product.

Our friend expressed his frustration to an experienced gardener who offered. Actually, more the other way around - the body simply reflects the metaphysical. I've witnessed quite a few women reliving the karmic regressions associated with those and they can be very challenging. Recently I found an energy worker who I felt I could trust and asked her about it.

Where do you recommend I start with my healing process? The pain is the place where the light enters.
