With the help of her kooky psychic group, Lucy must tap into hidden abilities to catch the firebug before the fires turn deadly. Enlarge cover. WanttoReadsaving... Although it did give me a quick Lucy Valentine fix. Nonetheless, even with all the backtracking she manages to write quite intriguing narratives with each Definitely she writes. Okay, so I was torn between giving it 2 3 star rating I would have to say that I give it a 2. Nothingnew, but it was good to read Lucy Series: Lucy Valentine Series by cover.
