They made sense to me back then and I know those lessons still remain true today. And yes, I pretended to sleep through it. *Finding Fatherhood* is *Finding Fatherhood* deciding what it means to be a man and a father.

But although his son is literally on the other side of the world, Rob soon discovered that communication is key.

I second the idea of finding a fathers' group, if he's willing, one that is a support group even though my husband adjusted pretty well to fatherhood, he struggled with finding a network of dad friends as most of his long time friends are still single. *Finding Fatherhood* Details
