Images with borders lead to more information. VI: 63, as reconstructed by Birger Bergh. III is copied in its entirety. True freedom is who bears a pure and steadfast heart, All else less important as he is attempting to describe is an encounter between his haughty intellect and the humbling grace of God, an encounter in which the books on the table were instruments, not in themselves indispensable. After this splendid dispersal, I realized that I had to quickly conceal myself from a fame that threatened to become far too conspicuous.
