When investigators from ghost-hunting group Weird U. Sometimes raw, sometimes shocking, often touching and always human, these stories reach to the hearts and inmost thoughts of people who are considered giants, but who have just as many joys and sorrows as the rest of us.

Moreover,despitethefactthatatnopointwassheactuallyateacherattheun  
The Journey of an Animal Communicator. This book was insightful, and actually validated a feeling I've had for quite awhile about a correlation between ghosts and our concept of time. Much information is here for the taking - highly recommended for anyone seeking an alternative explanation which is not afraid to deviate from the norm.
