We have to have confidence in our teams. Both soccer teams and project teams succeed in meeting their goals when they are guided by an effective leader.

As you succeed, you will gain greater confidence in your own ability and your team. In addition to the periodic check-in of schedule, cost, resources, and scope, the portfolio manager possibly along with the project review board is responsible for evaluating the project at certain checkpoints. Has project scope changed? How much will the project cost, and when will this funding be available? Article Leadership Skill Development 1 November
