However common these words might have seemed in the originals, they looked strikingly foreign in the Russian translations and required a lot of effort to understand. Countries with adjustment programmes should focus on the implementation of the programme agreed by the Member States in question and reporting under the programme should be consistent with the ES while avoiding any unnecessary duplication. Finally, I will discuss Boccaccio's Neapolitan works to show that his interest

in the lower classes does not extend to a concern for their faith, as Rea claims.
