It is the same as if you took away East Anglia from Britain and gave it to Germany, and offered us Normandy instead. Unemployment has risen, more than in most Russian cities. Following his highly successful life of Sassoon, Max Egremont turns his attention to a world that has vanished into history. Egremont has written a book that tries to make sense of this history - not as a single, chronological narrative, but as a sequence of short, interconnected essays in which measured reflections, portraits of the leading political and cultural figures, and conversations with exiles from this "forgotten land" are interwoven.
