Consuming whole grains offers not only a wide variety of health benefits, but they can be incredibly delicious. Now you don't have to wait to try them; you can make your own! There's no spelt flour in these recipes, but McKenna does give advice on how to take these recipes and swap out the gluten-free flours for spelt in case you happen to have a wheat intolerance and not a gluten intolerance.

This unusual book is filled with richly-flavored vegetarian, vegan and gluten-free recipes. Erin shows people of all stripes how to take control of a vegan, gluten-free pantry, and she proves that once you do, there are no limitations to what you can bake. Some allergen free Food allergies and sensitivities are becoming ever more mainstream.
