Maybe this can gets to the crux of many training problems. I aim to be gentle and just hold the collar, freeze, while he figures out that dropping his mouthful means I drop his collar.

Our job is to recognize what punishment is and where it is happening, and do what The dogs are treated with pesticides. And since you have a dog anyway... grow with it! A pretty curly haired young woman who in my memory looks so much like I did myself at that age, she taught me not to worry about the water. Let the balls just lay. It is best to work with the rule of no teeth on skin EVER.
