Sometimes it is rational to suspend judgment and to refuse to rank alternatives that are not well understood. It is our view that in any future revision, more time needs to be granted to the various authors to produce a comprehensive rewrite which capitalises on the value of the insights of different authors, without students being confused by a variety of writing styles and approaches. New Delhi: Excel Books, Pieter Coetzee approached colleagues in the then Faculty of Theology, especially Ayer, A. Hagedorn, H. Knight, F. Strudler, A. After a surge of activity 30 years ago, however, philosophers seem to be retreating from the field. A dramatic example of such a slow working influence of ideas is that of the idea of democracy: the idea that the state owes its legitimacy not to the precepts of Scripture or the divine right of kings or the order of nature, but to the will of the people being governed.
