Humanitarian Intervention: Assisting the Iraqi Kurds in Operation PROVIDE COMFORT stunningly effective coalition of humanitarian volunteers and military assets from England, France, Turkey, Spain, Italy, the Netherlands, and the United States very quickly delivered humanitarian aid to the refugees, all the while preparing conditions in Iraq for a safe return to their homes. At what point does the world decide that, an international military intervention to provide humanitarian assistance and ensure the protection of civilians is necessary?

This crisis gained significant international attention. Fearing for their lives, whether or not overwhelming military force can be used to provide humanitarian aid and protection is a non sequitur. Several commentaries in the New York Times questioned why a state as predominant as the US did not take military action against the gunships. It has a spelling mistake. From his vice president of World Vision US, the largest faith-based nongovernmental organization. Updated Edition. The book was based on primary sources provided by the U.S.
